Eligibility

* indicates a required field

Applicants: please note

This is a small grants round with a total pool of \$50,000 for allocation

Applications seeking up to \$10,000 that show collaboration with Traditional Owners and include co-contributions through either cash or in-kind support will be given preference.

The following documentation is needed to complete the application:

- ABN or ATO supplier form;
- Bank details;
- Completed risk assessment including COVID-19 mitigation;
- Project budget.

Before completing this application form, you should have read the **FNPW Community Conservation Grant** guidelines: [FNPW Community Conservation Grants](#).

Incomplete applications and/or applications received after the closing date will not be considered.

This section of the application form is designed to help you, and us, understand if you are eligible for this grant. It's crucial that you complete these questions before any others to ensure you do not waste your time applying for an unsuitable grant.

Projects requiring more than \$10,000 may be eligible for the 2nd funding round in June 2022. Please contact FNPW to discuss your project prior to the closing date for applications.

Projects requiring more than \$25,000 may be eligible for co-funding or fundraising appeals outside of this round allocation. Any project application for funding over \$25,000 must be discussed with FNPW prior to submission and a letter of invitation from FNPW must be included with your submission to the 2nd funding round in June 2022.

If you have any questions in regards to these eligibility criteria, please contact our Projects & Education Manager on kpiper@fnpw.org.au

Project focus

The Foundation for National Parks & Wildlife has a simple mission: **Growing parks & saving species**

To achieve this we support projects that work within our focus areas. We are also working towards reporting against the international outcomes set by the Sustainable Development Goals (SDG).

All projects that we support must focus on at least one FNPW priority area and work towards achieving at least one SDG.

What is the main focus area of your project? *

- Growing Australia's National Parks - Improving National Park facilities for the enjoyment of all, to foster and encourage the appreciation of nature.
- Protecting our native flora and fauna - Supporting scientific research and on-ground conservation works to protect threatened species and wildlife corridors
- Preserving our Cultural Heritage - Conserving and celebrating Australia's Indigenous heritage
- Educating and Inspiring - Supporting programs that encourage more people to take part in on-ground conservation works

Choose which sustainable development goal your project will assist.

- Good health and well being (SDG 3)
- Quality education (SDG 4)
- Climate action (SDG13)
- Life on land (SDG 15)
- Life below water (SDG 14)

List any state or national environmental programs, policies or plans that your project will enhance. *

An example of this would be the EPBC Act for Threatened Species, State or Commonwealth Government environmental policies, local government strategic plans or Masterplans for National Parks within your project area.

Describe how the problem you are targeting was identified and how the project activities were developed. *

Word count:

Must be no more than 300 words.

Project outcomes

Please tell us about the outcomes for the project.

Outcomes are the changes you expect to occur by undertaking the project. Generally outcomes can be framed as an increase or decrease in one or more of the following:

- Skills, knowledge, confidence, aspiration, motivation, (these are generally **immediate** or short-term outcomes)
- Actions, behaviour, change in policy (these are generally **intermediate** or medium term outcomes)
- Social, financial, environmental, physical conditions (these are generally **long-term** outcomes)

Immediate outcomes occur directly following an activity (e.g. within 1 month); intermediate outcomes are those that fall between the immediate and long-term (e.g. between 1 month and 2 years); and long-term outcomes are those we expect to see years later (e.g. 2, 5, 10 or 50 years after the activity).

We also want to learn more about how you propose to gauge whether your anticipated outcomes have been achieved - what you will measure and how (**indicators**).

If you need more help understanding what outcomes are, read the materials at www.ourcommunity.com.au/evaluation

List your initiative's anticipated outcomes and attached information in the following table. Leave blank any fields that do not apply to your initiative.

Project activities

What outputs or activities are you expecting to produce or undertake through this project?

Outputs are activities that are involved in your project.

Activities or outputs are immediate, obvious, and (usually) countable changes a project/program generates. Examples would include the number of trees to be planted, the number of classes to be held, the number people expected to attend a training course, the number of possums to be treated for a disease, the number of volunteers to be engaged.

List your initiative's intended outputs, including approximate numbers (if possible), in the following table. Leave blank any fields that do not apply to your initiative.

These are things that you will be required to report on for your project, so they should be measurable and time dependent.

Number	Who or What	Activity	Timeframe
(Approximate, or leave blank if unknown)	e.g. parents; trainees; trees; possums; books	e.g. trained in first aid; planted; provided treatment; delivered	e.g. over life of program; per annum; per month

Project milestones

What are the major steps / stages (i.e. milestones) involved in delivering your initiative?

Milestones are often used to mark significant points in the project e.g. planning completed, a specific activity undertaken, an event being held.

Milestones can be used to report on and can assist in communicating the progress of your project. There should be at least one milestone within your project that can be reported against.

Milestone	Start Date (if known)	Finish Date (if known)	Notes

Budget

Please outline your project budget in the income and expenditure tables below, including details of other funding that you have applied for, whether it has been confirmed or not.

Your budget items must include any GST costs. The total funds allocated will be based on your total budget costs provided here.

The first row of the income table MUST be the amount requested from this grant.

Provide clear descriptions for each budget item in the 'Income' and 'Expenditure' columns, Examples of income could include 'council community grant', 'trivia fundraising night', 'company X sponsorship'. Examples of expenses could include 'onsite power & water for 6 months', 'office supplies', 'part-time staffer x 40 hours'.

Use the 'Notes' column for any additional information you think we should be aware of.

Your budget **MUST** balance (TOTAL INCOME AMOUNT = TOTAL EXPENDITURE AMOUNT).

Please **do not add commas** to figures - e.g. type \$1000 not \$1,000 - this will ensure your figures for each table total correctly.
